**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My experience with a local provider has been a MILLION times better than with the giant companies, and in my area it has even caused the big companies to improve their services to keep up with the locals. Please dont pull the rug out from under local competition. Its good for the market and good for local communities!
